FOOD

FOOD IS IMPORTANT TO US HERE AT BLUE BAY
LODGE AND OUR BLUE BAY CAFÉ

FAMILY STYLE MENU

Food is central to the experience at Blue Bay Lodge, especially to its owners. Our menu is unconventional. We have thus created an offering which encapsulates the feeling of a dinner table, where friends and family can sit together around a beautifully prepared meal, sharing wine, friendship, and laughter.

All our dishes are served as shared courses unless specified. This enables us to evoke the feeling of a dinner table, while ensuring that the food is sensational, flavoursome and is delivered fast.

The concept is tried and tested and delivers success, every time and we highly recommend that you adopt our style of offering.

Celebrate your special day with a choice of five thoughtfully curated set menus – French-Inspired, Italian-Inspired, Traditional, Mediterranean-Inspired, or Seafood-Inspired.

Pair your selection with delicate canapés and a beautifully styled harvest table to create a wedding menu that's as unforgettable as the day itself.
